MUSTANG A

Open muzzle fitted with one or two (if requested) powerbands and an articulated s/s wishbone. The great ergonomic handle with loading pad and low recoil design, is mounted on a 28mm aluminum tube painted with seaside class paint and features a stainless steel Ø6,5 mm tahitien nothed shaft. There is a reason that MUSTANG 90 is the rising star. Manufactured from the ground to meat most spearfishing conditions, MUSTANG is the best value for money speargun in the market!

- 6160 aluminum tube Ø28 w/rail guide
- Seaside class paint
- s/s trigger
- robust nylon glass handle
- open muzzle
- eurostyle s/s articulated wishbone
- latex power threaded bands
- sandvic inox shaft 6,25mm.
